FOR NASHVILLE-DAVIDSON COUNTY, TENNESSEE

CRIMINAL COURT CLERK

IN THE MATTER OF:)

INCREASE IN PROBATION SUPERVISION FEES)

7B

DC

ORDER

TO HOWARD GENTRY, Criminal Court Clerk
TO BOB GREEN, Director, General Sessions Probation Department

The General Sessions Court recognizes that pursuant to the Metropolitan Code § 2.56.135 the General Sessions Court Judges are authorized to impose up to a thirty-five dollar (\$35) monthly probation supervision fee on all defendants placed on probation in order to partially defray the operating expenses of the Court's Probation Department. However, it is further recognized that such supervision fee has been set at thirty dollars (\$30) per month since July 1, 2008 and the Probation Department's operating expenses have increased since that time.

It is, therefore, **ORDERED, ADJUDGED, AND DECREED** that the General Sessions Court shall impose and set a new probation supervision fee rate of thirty-three dollars (\$33) per month per defendant placed on probation in our courts, and said increase shall become effective on May 1, 2014. Said action was approved at a special business meeting of the General Sessions Court on March 27, 2014.

Enter this 27 th day of March, 2014.

Judge William E. Higgins
Presiding Judge
